

Cellular Phones & Wireless Devices

Cell phones and similar wireless devices are not to be seen, heard, or used in teaching and learning spaces, unless a student is specifically directed by a teacher to utilize a device. This includes use as multimedia players and cameras (iPods, laptops, etc).

**Technology has its place,
but also needs to be put in its place.**

If a student must be contacted for any reason during class time, parents/guardians should contact the Front Office and the message will be relayed to the student. For emergencies only, the student will be contacted immediately in the classroom.

Please be courteous and aware of others when using cell phones in designated times and locations.

Note: Alberta Education policy states that students may not bring cell phones and/or personal audio devices into the examination room.

Cameras

We value and respect personal privacy. Cameras of all types (cell phones, etc.) are to be used only as directed by a staff member.
